### ***POLICY***

The Superior-Greenstone District School Board believes in an inclusive education system in which students, parents and other members of the school community are welcomed and respected. Superior-Greenstone DSB pledges to communicate effectively with parents/guardians, students, staff and stakeholders in order to provide them with the information they require to make informed decisions about student learning. We welcome parents/guardians as respected and valued partners within the school community.

We remain diligent in our goal to foster an inclusive and engaging work environment built on valuing diversity, trust and respect for all people. Superior-Greenstone DSB endeavours always to create a work and learning environment that inspires and supports our employees by striving to communicate effectively in a manner that is both transparent and timely. We believe this approach; purposeful, ongoing, open exchanges of ideas and sharing information helps us to foster a collaborative, creative, solution-oriented environment that can support our shared goal for student success and well-being.

In order for communication to be effective in all manner of relationships an honest, two-way avenue must be fostered and it is important for participants to realize that decisions are based on established policies, regulations and procedures.
