POLICY

The Superior-Greenstone District School Board recognizes the potential adverse effects of the consumption of alcohol.

PROCEDURES

1.0 Board-Owned Facilities

Except as authorized by the Board pursuant to section 3.0 of this policy the Board prohibits the serving, consumption, possession and/or sale of alcoholic beverages in any Board-owned facility or on grounds attached thereto.

2.0 Field Trips, Etc.

The use of alcohol during field trips or any other Board sponsored activity involving students is forbidden.

3.0 Community Schools

Where a school has been identified by the Board as a “community school”, a community group wishing to use the school for an event may seek permission from the Board to obtain a liquor license for the event at the community school provided no liquor is served to minors during the proposed event. No such license will be obtained and no liquor will be served at the school without the written permission of the Board. Additionally, no liquor will be served at the school during the regular school day. In granting such permission, the Board may impose any restrictions it deems appropriate.

A “community school” is defined as a school in which a Joint Use Agreement was in place from the predecessor board (pre-amalgamation).
