### **POLICY**

It is the policy of the Superior Greenstone District School Board to utilize video surveillance on School Board property and on Board contracted school buses, where it has been demonstrated that there is a need for surveillance. This video surveillance is to ensure the safety of students and staff and to act as a deterrent to destructive acts (i.e. theft or vandalism), and to monitor unauthorized individuals on Board property. The privacy and personal information that may be collected as part of this process will meet the compliance standards of the privacy protection provisions in Ontario.

### **RATIONALE**

The Superior Greenstone District School Board has the responsibility to ensure the safety and security of students and staff, and to protect Board property, as well as adhere to the privacy and personal information protection provisions afforded to individuals through legislation.
