Parental Involvement 2005/2006

Under the Parental Involvement Initiative for 2005/2006 schools were allocated \$500.00 each. Following is how each of the schools elected to expend these funds:

| Elementary Schools | |
|--|---|
| School | Details |
| B.A. Parker Public School | ⇒ Food vouchers to be used as door prizes to attract more parents to attend meetings. |
| Beardmore Public School | ⇒ Parent dinner preparation for Grade 8 graduates. |
| Dorion Public School | ⇒ Transportation for parents to be involved in a board meeting presentation and to volunteer to bring students to a board function, and volunteer t-shirts to recognize their contributions this year. |
| George O'Neill Public School | ⇒ TiChi demonstration and Japanese Culture Day activities. |
| Manitouwadge Public School | ⇒ We spent our allocation on a full page in the local paper entitled: MPS – Celebrating Student Success. It is a collection of student work from all grades and some highlights of our school. |
| Margaret Twomey Public School | ⇒ Snacks and refreshments for "Parent Reading Night". |
| Marjorie Mills Public School | ⇒ All volunteers were treated to a "Parent Volunteer Appreciation" Dinner, and were presented with a stainless steel mug engraved with a message of appreciation. Gift certificates were purchased from Scholastic to be raffled at the next School Council meeting. |
| Red Rock Public School | ⇒ Numeracy presentation for parents, including cost of hotel for guest speaker, child care costs, food and gifts. Additional funds went towards refreshments for a Family Night. |
| Schreiber and Terrace Bay Public Schools | ⇒ Both schools hosted an information workshop for parents that covered literacy, numeracy, and EQAO Provincial Testing. At the workshop we provided lunch. With the remainder of the money from the Parental Involvement Initiative we have purchased agenda books for each of the students in our two schools to promote the home-school connection. |
