#### **Superior-Greenstone District School Board Launches New Web Site**

**MARATHON**, Ontario – Superior-Greenstone District School Board embarked on the first stage of a three-year web-based implementation plan by successfully launching its newly designed board web site on May 1, 2006.

The board is confident that the implementation of this innovative and dynamic site will provide increased communication and information-sharing with its various school community stakeholders.

Over the next three years, the board expects to attain on-line meeting and training capabilities. With the onset of these options it is anticipated an increase in productivity and efficiency will be realized due to the reduced travel time allowing staff to remain at their work sites. Additional benefits, while not exhaustive, include central document management and reduced technological costs.

Superior-Greenstone District School Board invites the public to visit its new site at [www.sgdsb.on.ca](http://www.sgdsb.on.ca).
