## **Our Mission**

In partnership with the students, the home and the community, Superior-Greenstone District School Board will address individual students' needs by providing,

- a diverse education that prepares for and honours their chosen path for success,
- avenues that foster a love of learning, and
- the means to honour varied learning styles

## **Our Vision of the Student!**

To thrive in a rapidly changing world, we envisage Superior-Greenstone students who:

- are balanced
- have a broad based education
- are community oriented
- are self-confident
- are problem-solvers
- are adaptable to change
- are effective communicators
- have life skills
- are competent with technology
- are prepared for transition to their "next step".

## **Our Vision of the School, School Board!**

To realize Our Vision of the Student, we envisage a school and school board that are characterized by:

- equitable access to a full range of quality programming
- accountability for student success
- excellent and passionate staff
- reasonable limits to bussing times
- positive school environment
- meeting the needs of the whole student
- partnerships among students, the family and the community
- up-to-date technology
- problem solving throughout the school years
- students taking ownership for their behaviour and education
- communication of a clear, focused, coordinated board plan to all stakeholders.

## Challenges and Obstacles

We acknowledge the need to address the following challenges and obstacles in order to fulfill our Mission and realize our Vision of the Student and of the School and School Board:

- decline in the economics of our communities
- being reactive
- the need to allocate resources to meet needs
- fragmentation of the school systems
- geographic and demographic uniqueness of Superior-Greenstone
- inadequate relationships
- narrow focus regarding graduates' options.

## Our Strategies

To overcome these challenges and obstacles, realize our Vision and fulfill our Mission, we will pursue the following strategies:

- develop students' character and life skills
- increase and improve partnerships
- access technology to equalize opportunities among students
- develop a communication plan
- improve First Nations outreach
- improve professional development
- improve pathways to success
- contribute to economic development
- make schools fun!
