### **Join the Parent Involvement Committee at Your School**

This calendar is produced in partnership with the board's Parent Involvement Committee (PIC). The PIC is an important advisory body to the school board, supporting student achievement and well-being by getting parents more involved in their children's learning. PIC's are guided by education policy and governed by Ontario Regulation 612/00. If you are a parent or guardian of a child in one of Superior-Greenstone DSB schools you are welcome and encouraged to join the PIC group for your school.

### **Environmental Stewardship**

As part of the Superior-Greenstone District School Board's 2018-2023 Strategic Plan and a focus of our 2019-2020 school year, we will be enhancing our Environmental Stewardship initiatives. Please join us in our efforts to protect our environment. Together we can inspire students to succeed and make a difference. Our place, Our Planet, Our Responsibility!

# The Strategic Priorities of Superior-Greenstone District School Board

## Our Mission

*"In SGDSB we are learners. Everything we do is designed to help all students succeed and make a difference. We build positive places for learning and working together."*

## Our Beliefs

*"At Superior-Greenstone District School Board we believe in quality programs and service delivery to ensure an outstanding and rewarding experience for our Students. We believe that all students can achieve high standards given sufficient time and support."*

## Our Vision

*"Inspiring our students to succeed and make a difference"*

### Learning

Learning is the foundation of Superior-Greenstone District School Board and continues to be the core to achieving our vision. Innovative approaches to learning that incorporate experiences inside and outside the classroom will prepare students for success as future leaders.

### Relationships

Students must feel safe, physically and emotionally, in an inclusive, accepting environment. In the school community, students must be able to engage in meaningful learning, and have positive relationships with peers and caring adults.

### Well-Being

Students who have strong relationships and a positive sense of self are in a better position to reach their full potential. As we continue to strive for excellence in our education system, we know it is essential to support all of our students to have a positive sense of well-being—the sense of self, identity, and belonging in the world that will help them to learn, grow and thrive.

### Stewardship

Stewardship recognizes the importance of Superior-Greenstone's unique role in making a difference in the communities it serves, in developing broader understanding of societal issues and inspiring action for thoughtful positive change. Good stewardship allows an organization to continually develop and adjust to an ever-changing world.
