## **POLICY**

It is the intent of the Superior-Greenstone District School Board to make available to the community, the School Board's buildings, facilities and grounds provided such use does not conflict with school programs and is economically feasible.

The Board's initial obligation is to the pupils of the Superior-Greenstone District School Board, hence in the event of possible conflicts with use, the policy of the Board will be to provide facilities for pupils, not non-school groups. This is not withstanding that the principal will attempt to schedule events as to avoid conflicts with usage.

For the various members of the community who wish to engage in the Facility Partnerships Program (Joint Facilities Agreement) or Community Use of Schools Program (before and after school hours use) the board will provide fair and equitable access to available buildings, facilities and grounds.

The Board will recover costs incurred by these programs and in due regard enforce its rules and regulations as outlined in the Board's Policies and Management Guidelines.
