### To the B.A. Parker Public School Community:

This letter is to advise you that the Thunder Bay District Health Unit (TBDHU) has identified one COVID-19 case associated with B.A. Parker Public School.

We are actively working with the school and Superior-Greenstone District School Board to investigate and manage any potential exposures that may have occurred in the school and any related settings, such as bus transportation.

Any individual identified as a close or high risk contact will be required to stay home and not return to the school setting until cleared by public health.

The full investigation will continue to unfold over the next few days. Additional measures and actions will be taken as needed to manage the situation.

Additional updates will be provided to the school community over the coming days by both TBDHU and the school and school board. For further information about COVID- 19 and schools, please refer to the TBDHU website: [TBDHU.com/stopgerms](https://tbdhu.com/stopgerms) and [TBDHU.com/safereturn\\_parents](https://tbdhu.com/safereturn_parents).

Sincerely,

Dr. Janet DeMille, CCFP, FRCPC
