

Small Schools Make a Difference

March 17, 2020

Dear Community User Group,

To help slow the rate of COVID-19 infections, late last week, the Government of Ontario announced the closure of all public schools from March 14 through to April 5, 2020. To assist and help protect vulnerable populations including seniors and people with compromised immune systems, the Superior-Greenstone District School Board is expanding COVID-19 precautions to include the cancellation of Community Use of Schools permits.

Over the coming weeks, we will keep our students, parents, and communities informed by releasing COVID-19 information updates through the following channels:

The Board understands this is a difficult time for our regional communities and our hearts go out to those who are affected. We will continue to work with local Public Health staff to ensure our schools remain clean, safe and welcoming in anticipation of the resumption of school in April.

Please remain vigilant regarding hand hygiene and cough / sneeze etiquette and follow all Public Health guidance and directives.

Sincerely,

Marc Paris
