2.2 Items for Follow-Up

Hornepayne Visit: Due to the labour dispute, it was not possible to set up a visit to the school. A teleconference with the principal is still a possibility if the committee wishes to pursue this.

3.0 Discussion Items

3.1 Website Update

Website will be updated by Feb 21 2013. Draft minutes will be circulated amongst the committee members for review and then posted.

3.2 Delegations: Delegations who wish to speak to the committee follow the same protocol as a delegation presenting at the Board (see ARC website for details). Feb 8th date on the flyer will remain (deadline to indicate **intent** to present to the committee) but the

committee wants the community to have another opportunity to indicate their intent to present so another flyer will be going out with a March 8th deadline.
The presentations are to be sent to the ARC committee by email.

4.0 Committee Report

Financial information that originally presented was based on 2011-12 grant. Cathy wants to do update info for the 2012-13 school year. The financial information that will be posted on the website by **Feb 21 2013 will be based on 2012-2013 numbers.**

A request was made for a spreadsheet on the various options that take into account any recent changes to revenue and expenses both for current and future operating costs/capital costs based on the following three 3 scenarios.

1. Do nothing
2. Move 7 & 8's
3. Combine JK – 12

Functional capacity can change from year to year as to what the space is actually used for. On the ground capacity is what space was originally was designed for.
