**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Report No:** 61  
**Date:** July 5, 2011

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** David Tamblyn, Acting Director of Education

**SUBJECT:** Requesting Date Change for August 2011 Regular Board Meeting

---

**Background**

At the December Annual Organizational Meeting, the Board of Trustees sets its schedule for its Regular Board meetings in the upcoming calendar year. Generally, the schedule sees board meetings happen on the third Monday of each month. On the whole this schedule works well in conjunction with other board committee meetings which often serve as a means to channel various issues which must come before the board for approval.

**Current Situation**

The Regular Board meeting in August is scheduled on Monday, August 15, 2011. However, this year from August 15 through August 18, the International Confederation of Principals World Convention 2011 takes place in Toronto. This four-day event is designed to help school leaders grow in their roles and become better instructional leaders for their staff and students. Superior-Greenstone DSB itself has a presenting delegation composed of its Director, Student Success Leader and Student Trustee scheduled to be there to deliver a program entitled, "Aboriginal Student Leadership: Full Circle". The travel and presentation dates conflict with the Regular Board meeting date of August 15<sup>th</sup>.

**Administrative Recommendations**

That, the Superior-Greenstone DSB postpones the August 15, 2011 Regular Board meeting to Monday, August 22, 2011.

Respectfully submitted by,

David Tamblyn  
Acting Director of Education

**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Report No:** 62  
**Date:** July 5, 2011

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** David Tamblyn, Acting Director of Education

**SUBJECT:** Appoint Two Alternates to Board Policy Review Committee

---

**Background**

At the Board of Trustee Inaugural Meeting held every four years after a Municipal Elections a variety of board committee appointments are established. One such committee for which members are required to is the Board Policy Review Committee (BPRC). Historically, five (5) trustees are appointed to this committee to serve out a term equal to that for which Trustees are elected, that is a period of four years. This arrangement facilitates the opportunity for consistency within the group responsible for reviewing board policy in the long-term. BPRC meetings are usually scheduled on the fourth Monday in each of the months from September through November (3-meetings), and then from January through May (5-meetings).

**Current Situation**

Quorum for these meetings requires that three of the five trustee appointed be present. So too, one of the three producing the quorum is required to Chair the meetings. On occasion, due to commitments /engagements with other board committee and/or travel obligations, quorum has been unattainable, without which meetings must be cancelled or rescheduled.

A suggestion was offered at the last BPRC meeting to seek two more trustee appointments, both of which would be named as alternates members on the committee. In this way, should an BPRC member be unable to attend a meeting, that member could approach one of the alternates to attend in their place, thereby allowing a meeting to transpire with the dictates of quorum satisfied.

**Administrative Recommendations**

That, the Superior-Greenstone DSB appoints the following trustees as "alternate members" to the Board Policy Review Committee, for the period July 5 to November 30, 2014:

1. \_\_\_\_\_ Appointee (Alternate)
2. \_\_\_\_\_ Appointee (Alternate)

Respectfully submitted by,

David Tamblyn  
Acting Director of Education

## SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD

**Report No:** 63  
**Date:** July 5, 2011

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** Cathy Tsubouchi, Superintendent of Business

**SUBJECT:** Estimates for 2011/12

---

### **Background**

The Ministry of Education's Grants for Student Needs 2011-2012 were released on March 31, 2011. The Ministry of Education continues to support key student achievement goals.

### **Budget Analysis**

The initial funding estimate provided to the board from the Ministry of Education showed that our revenues would remain the same. This would usually have been good news given our declining enrolment; however, several factors created pressures that have impacted the development of the board's budget: excess capacity, contractual salary increases; a large WSIB surcharge and the loss of top-up funding for 5-years for the newly constructed BA Parker facility.

The 2011/12 Estimates contain a deficit for compliance purposes of -\$244,101. This deficit does not exceed 1% of our operating allocation (\$288,413); therefore, we do **not** require Ministry approval for the deficit. (See Compliance Report, page 1 in the 2011/12 Estimates package)

Schedule 1.1 is our Consolidated Statement of Operations (page 2 in the 2011/12 Estimates package). We have projected revenues of \$36,593,325 and total expenses of \$37,237,300 for a PSAB-based deficit of -\$643,976. The difference between the PSAB-based deficit and the compliance-based deficit is due largely to the in-year deficit for employee future benefits which is excluded from the compliance calculation. (See Schedule 5, page 6 in the 2011/12 Estimates package)

Schedule 5 shows the impact of the in-year deficit on our accumulated surpluses. The unappropriated surplus at item 1.3 is particularly important. The projected opening balance of \$2,220,875 is reduced by the in-year deficit of \$244,101, leaving a projected ending balance of \$1,976,775. This would suggest that we could afford to operate eight additional years before the unappropriated surplus was consumed. The items identified as internally appropriated are intended for specific purposes. In order to reduce our in-year deficit this year and in the future, we will be looking for sustainable, long-term solutions.

The 2011/12 Estimates comply with the Ministry of Education's enveloping and accountability requirements. For Special Education, our expenses exceed our grants. For Governance and Administration, our expenses are less than our grants.

The following items are included in this year's budget submission:

- Enrolment estimate is 1,617.75 FTE (740.50 FTE for elementary; 877.25 FTE for secondary).
- Elementary teaching staff as approved by the Board on April 19, 2011 with 0.50 full time additional staff for both Red Rock Public School and Nakina Public School as approved June 20, 2011.
- Full day senior Kindergarten in all elementary schools continues.
- The Kindergarten program at Margaret Twomey Public School continues to be funded through the Ministry of Education's Full Day Kindergarten initiative.

- Secondary teaching staff as approved by the Board on May 16, 2011.
- Native language and Native Studies courses reflect the current offerings.
- Education Assistant staffing reflects the plan that was approved by the Board on June 15, 2011.
- No additional Educational Assistant staff for First Nation's students is included as approvals are still pending.
- The Behaviour Expertise Consultant position continues.
- The Communications class at Nipigon High continues.
- The Student Effectiveness Lead position is once again funded from funding established for that purpose.
- Plans will be put in place for alternate day cleaning across the system which will reduce custodial staff by approximately 3.0 full time positions.
- School secretary positions at Geraldton High School will be reduced by .50 to 2.0 full time positions to more closely reflect the staffing ratio that has been used in high schools of similar size.
- School renewal allocation of \$955,168 and school condition allocation of \$920,964 will be fully used for projects in 2011/12.
- Retirement Gratuity payments will be funded from the reserves set up for this purpose.

As previously stated, we are at a point where we need to identify long-term solutions in order to maintain program for students. This will be our focus over the coming year.

The Ministry of Education required that the budget be passed by June 30<sup>th</sup>. The Ministry has been advised that we would be unable to meet this deadline.

#### **Administrative Recommendation**

That the Superior-Greenstone DSB having received Report No. 63 adopts the Estimates for the 2011/2012 School Year as presented.

Respectfully submitted,

Cathy Tsubouchi
