New Teacher Induction Program Resources

Resources to Support Professional Development

NTIP Resource Handbooks

The following [resource handbooks](#) provide examples of effective practices to support the implementation of the NTIP for new teachers, mentors and principals. Principals, board staff and NTIP Steering Committees are free to adapt these resources to suit board needs, or to use them in their current format.

In this section, you will find a variety of resources available to support new teachers in their professional development that have been organised according to each area of the NTIP PD Core Content.

To view available resources on a specific topic area, choose from the list below:

Classroom Management, Planning, Assessment and Evaluation,
Communication with Parents/Guardians, Equity and Inclusive Education,
Literacy, K-6, Literacy, 7-12,
Mathematical Literacy/Numeracy, 7-12, Numeracy, K-6,
Safe Schools and Healthy Schools, Student Success/Learning to 18,
Teaching English Language Learners.
Teaching First Nation, Métis and Inuit Students
Teaching French as a Second Language
Teaching Students with Special Education Needs

Survive and Thrive

Survive and Thrive is a virtual conference that has been specifically designed by OTF for Ontario teachers in their first five years of professional practice, occasional teachers, mentor teachers and teacher candidates. Further information is available at: [Survive & Thrive: Virtual Conference for Beginning Teachers](#).
