## **POLICY**

The Superior-Greenstone District School Board will ensure that every elementary school within their jurisdiction shall develop and implement a Safe Arrival Program for their students, as per Policy Program Memorandum No. 123 entitled, Safe Arrivals. The development and implementation of these programs and procedures will be done with advice from school councils, band councils, parents and guardians, volunteers, and community members.

## **PROCEDURES**

Each school's Safe Arrival Program will:

- Provide for procedures that are conducted with daily school attendance procedures that will account for any pupil's unexplained failure to arrive at school.
- Be unique to the school and consistent with the program delivery parameters found in the Management Guidelines.
- Be reviewed annually by the System Attendance Team to update and make changes as required.
- Have a copy of each school plan on file in the office and communicated, at a minimum, to all parents and guardians at the beginning of each school year.
